

Our Scholars Presentation Evening provided a wonderful opportunity to celebrate excellence in music, art, sport and academia this week. It gave me great pleasure to congratulate our returning and newly awarded scholars on their achievements and to mark the start of their development programme for the academic year. In my Principal's Address during the ceremony, I reflected on what it means to be a scholar, and this is a message I feel is of value to all our students.

For a scholar, knowledge alone is not enough. Scholarship requires persistence. The path of creativity and discovery is rarely straight. They continue not because the road is easy, but because the pursuit of excellence is worth the struggle. Underlying that persistence is passion. Passion fuels the long hours, the repeated practice. It is the spark that makes others take notice, because a scholar does not just study something; they love it, and that love shows. This makes scholars a role model for the wider community, a figure to be respected for their inspirational and infectious love of their chosen pursuit.

At its core, being a true scholar means channeling your passion into the pursuit of excellence, and sharing your experience with others. At Cheltenham Muscat we aim to provide every student with the opportunity to pursue their passions, extend their knowledge and showcase their talents, fostering a genuine love of learning in every child.

Lower Pre Spelling Bee

Last week, following on from the class heats, our Lower Prep community came together for the finals of the first house event of the year — the Spelling Bee. Students in Grade 3–5 showed impressive resilience, composure, and bravery as they represented their houses in a fast-paced team relay, working collaboratively to spell as many words as possible within the time limit. Congratulations to Falcons House, the overall winners, and well done to all participants who demonstrated the Cheltenham Muscat SCs throughout the event. Audience members sat proudly in their house teams, cheering on their peers with respect and enthusiasm, creating a true sense of community and house spirit. It was a fantastic start to the year's house events, setting the tone for an exciting calendar ahead. A big well done to everyone who took part in both the heats and the finals!

Birthday Celebrations

Following feedback from parents and a number of issues arising last year with parents bringing cakes and sweets into school for birthday celebrations, we have asked our excellent school caterers, Taste Investment, to create a menu of birthday treats. These can be ordered at Crafty Kitchen in reception, or [via this link](#), and delivered to your child's class on their birthday. Treats will be made from natural ingredients, avoiding artificial colourings and guaranteeing to be nut free.

If you would like to celebrate your child's birthday with food in their class, please order through Crafty Kitchen at least 3 days in advance. We will not be allowing externally purchased foods into school for celebrations.

Check the Cheltenham Muscat application under school catering for more details and prices.
