Birthday Celebrations

Following feedback from parents and a number of issues arising last year with parents bringing cakes and sweets into school for birthday celebrations, we have asked our excellent school caterers, Taste Investment, to create a menu of birthday treats. These can be ordered at Crafty Kitchen in reception and delivered to your child's class on their birthday. Treats will be made from natural ingredients, avoiding artificial colourings and guaranteeing to be nut free.

If you would like to celebrate your child's birthday with food in their class, please order through Crafty Kitchen at least 3 days in advance. **We will not be allowing externally purchased foods into school for celebrations.**

The list of options is included below:

Treats Menu
